

Criminal Defense

Stand up for yourself against charges

Make the right choices for your defense with a team that cares about you and your family.

See the right results for your criminal charges

Whether you're guilty or innocent, facing criminal charges can feel like the end of the world. Instead of facing your situation alone without advice, support, or guidance, let our team step in to get the job done right.

With over 20 years of experience defending even the most challenging cases, our team has the right tools to help you get the results you've been looking for. Past cases include:

- Drunk Driving (DUI, DWI)
- Murder
- Assault and Battery
- Domestic Violence and Abuse
- Drugs and Drug Trafficking
- White Collar Crimes
- Restraining Order Violations
- Traffic Violations/Reckless Driving

Criminal Charges are very serious and stressful on the defendant and the family. When you choose our firm we are committed to provide aggressive defense to your criminal charges. From arranging a plea deal to a trial, you will not be disappointed.
